INDUSTRIAL SOLVENTS AND CHEMICALS
CUSTOM BLENDING AND FORMULATING
4701 SPRING ROAD CLEVELAND, OHIO 44131
PHONE: 216 / 749-0100
FAX: 216 / 749-7041

To all our loyal customers,

We have been honored to provide your chemical products for the past 47 years. The time has now come for me to retire as of August 21.

We are thrilled that we have been able to have Chemical Solvents Inc. agree to continue to provide you with the exact same products just as we have done. They have been a wonderful supplier to us for nearly all of our time in business and have the same dedication to quality as we do. They will package and deliver all your orders going forward. Chemical Solvents will be reaching out in the coming days for any additional information they need from you.

For now, please continue to place all your orders with us either by email (info@midamericachem.com) or by phone at 216-749-0100. We will relay them to Chemical Solvents and let them know of any special requirements which you may have. We aim to make this as smooth a transition as possible.

Once again, thanks for all your loyalty throughout these many years and I am confident that you will be satisfied with the products and service which you will receive from Chemical Solvents.

Frank Martinek
